ensure that your company complies with the export control laws of the manufacturing location or other countries/regions' export and foreign trade regulations (including but not limited to the China, Taiwan, United States, European Union, Japan, etc.), hereinafter referred to as the 'Export Control Regulations,' especially in the following aspects:

your company agrees not to sell the products to countries/regions subject to restrictions or prohibitions under the Export Control Regulations and/or other sanctioned or embargoed regimes.

your company agrees to ensure that the products:
are for end user/end use applications for civilian use only;
comply with the export control regulations of relevant countries and obtain necessary import/export licenses as required;
will not be used for any prohibited end uses or by any prohibited end users as defined by the export control regulations of relevant countries.

your company agrees to provide the necessary information to the relevant regulatory authorities in accordance with the foreign trade control laws of your country.

MEAN WELL power supplies do not have military certification and are intended for civilian-related applications only. Please be aware of the relevant regulations and regulations in each country/region when using them.
